

Manage your chronic condition and save money.

5 Star Centers provide quality care for a \$0 co-pay. All of your care will be coordinated through your Primary Care Physician, who leads a personal care team dedicated to looking out for you. Your team is familiar with you and your needs. They will help you manage your chronic condition and stay as healthy as possible.

We partner with several hundred 5 Star Centers in NY, NJ, CT, MA, FL and PA. Your 5 Star Representative can help you find one that works for you!

This program is available exclusively for 32BJ members and members of their families with chronic conditions
