5 Star Centers take better care of you

5 Star Centers are private doctor's offices that partner with 32BJ to provide quality care, for a \$0 co-pay.

5 Star Centers are designed around you, offering:

- A personal care team, led by your Primary Care Physician
- Preventive care to help you stay healthy
- Personalized, coordinated care

Most importantly, patients who have personal care teams have better health outcomes and fewer emergency room and hospital visits on average.

Over 100 locations for your convenience

With over 100 locations in NY, NJ, CT and PA, you're sure to find a 5 Star Center that works for you and your family. Visit health.32bjfunds.org to find the 5 Star Center nearest you.

The Union Health Center, our flagship 5 Star Center, is conveniently located in mid-town Manhattan. Thousands of 32BJ members currently receive their care at the Union Health Center and benefit from their innovative primary and multi-specialty care. They focus on providing comprehensive, coordinated care in a friendly environment.
