 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 for <u>in-network providers</u> \$250 person/\$500 family for <u>out-of-network providers</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. There is no <u>deductible</u> for <u>in-network services</u> . No, when out-of-network.	This <u>plan</u> covers some items and services even if you haven't met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ . You will have to meet the <u>deductible</u> before the <u>plan</u> pays for any services.
Are there other deductibles for specific services?	No.	You don't have to meet specific <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	For <u>in-network providers</u> \$9,200 individual / \$18,400 family; for <u>out-of-network providers</u> \$9,200 individual / \$18,400 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance billing</u> charges, penalties for failure to obtain preauthorization, & health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.32bifunds.org or call 1-800-551-3225 for a list of <u>in-network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You pay the least if you use a 5 Star Center <u>provider</u> . You pay more if you use a preferred <u>provider</u> in the plan's <u>network</u> . You pay even more if you use a non-preferred <u>provider</u> in the plan's <u>network</u> . You pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>in-network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
